

The City of Bloomington Presents

Two Free Workshops

Making Businesses Accessible: If We Build It Right, They Will Come!

July 28 — For Government Building Inspectors

August 19 — For Architects, Builders & Contractors

8:30 a.m.—2 p.m. Lunch Provided!

**City Hall, Council Chambers
401 N. Morton Street, Bloomington**

New and renovated businesses are required by law to be accessible to people with disabilities. These free workshops will help those who approve plans and inspect construction, and those who design, build and renovate buildings understand what is required by Indiana and federal accessibility laws. It makes both business and legal sense to make sure that buildings are fully accessible from the start, at the design and construction stage.

These workshops will help you understand how to be in compliance with the law.

Funding was provided by ADA-Indiana and the Indiana Governor's Council for People with Disabilities.

**For Information or to reserve a space and lunch: Craig Brenner, Special Projects Coordinator
